PART 2: SUMMARY DESCRIPTION OF BUSINESS

1. What is our Business

Reclaim is driven by consumer data and the evolution of privacy. Offering compliant, first-party data to Fortune 500 brands, platforms, and data companies, Reclaim allows consumers to visit the platform, confirm their identity, and unveil data that has been collected and sold without the consumer's explicit consent for years. Reclaim enables consumers to take back control of this data by setting up a Reclaim account where, should they choose to, they can be compensated for their data. 2. Recent Developments

The following is a list of recent developments of Reclaim Ltd.

- Revenue for the three months ending September 30, 2022, grew to \$606,431, a 163% increase over Q3 2021 and to \$1,642,380 for the year to date, a 194% increase over YTD 2021.
- Gross Margins improved to 17% for the three months ending September 30, 2022, compared to -116% in 2021. This marks the first time Reclaim has had a positive gross margin, \$101,033 compared to -\$239,260 in the same period of 2021
- Recurring revenue in the third quarter of 2022 grew to 90% and is 83% YTD 2022.
- Reclaim Ltd. signed a non-binding letter of intent to purchase the assets of Multimedia Lists, Inc. (“MML”), a data broker currently operating in the United States (the “Transaction”). MML is a cash flow-positive company and is expected to immediately double the monthly revenue of Reclaim when the Transaction closes.

3. Material Facts

Within 12 months of the date of this offering document, there have been no material facts about the securities of the Issuer being distributed under this Offering that have not been disclosed in this offering document or elsewhere.

4. What are the business objectives that we expect to accomplish using the available funds

Reclaim’s objective, with the funds raised, is to continue to grow the business and its revenue. The revenue growth is expected to be accomplished through multiple avenues. The company expects to use the funds to increase the size of its business development team, which will help generate organic revenue growth. The company also expects revenue growth by acquiring the assets of Multimedia Lists. Acquiring the recurring contracts and cash flow will help increase Reclaims gross revenue while also providing reduced costs due to savings by reducing duplicate technology and external data purchases.

Use of Funds

Funds from the offering will be used primarily to acquire the assets of Multimedia Lists Inc. These funds will be used to purchase the contracts, customer lists, recurring revenue streams and other tangible and intangible assets of the company. The consideration paid for the assets of Multimedia Lists will be a combination of cash and equity. The funds received from the offering are an estimate of the cash required for the purchase. Any funds from the offering not used to purchase Multimedia Lists will be used towards the growth operations of Reclaim.

Going Concern

Reclaim Ltd.'s most recently filed financial statements contain disclosure about its ability to continue as a going concern. Over the past year, the company has made efforts to become cashflow neutral by reducing expenditures while continuing to grow revenue. Funds from this offering will be used to help increase the cash inflow from operations, as the purchase of Multimedia Lists is expected to have an immediate positive cashflow impact through the acquisition of existing and recurring contracts and a reduction in redundant expenditures.
